1-Day Talent Management Workshop

November 8, 2011 ~ 8:30AM - 4:30PM

Integrated Talent Management
Linking Recruiting, Talent Management,
Compensation, Leadership, Culture and
Brand as a System

1-Day Talent Management Workshop Led by Michael Brainard

Case study presentation by guest speakers Rob Reindl, Corporate V.P. H.R. & Christine McCauley, V. P. H. R. from Edwards Lifesciences.

Outcomes You Can Expect

- Gain an understanding of an integrated talent management framework
- Explore the advantages of an integrated talent management strategy toward top talent retention and performance
- Define the specific aspects of a fully implemented talent management approach
- Define and discuss the drivers of retention
- The role of competencies and metrics
- Use of metrics and exploring the build v. buy decision associated with design and implementation

Why You Should Come

- This session will provide you with best practices in talent acquisition, acculturation (branding), performance management, leadership development, as well as succession planning and how to build a healthy leadership pipeline
